

THE ASTRONOMICAL SOCIETY OF AUSTRALIA

Designated Optical Observatory Report Form

The Astronomical Society of Australia has been asked by STANDARDS AUSTRALIA to compile a list of 'designated' optical observatories that are valuable resources for (i) research, (ii) education and (iii) community use. All applications will be considered by the ASA Council and the ASA is the final arbiter of whether any particular observatory is 'designated'. Status as a 'designated' optical observatory will be reviewed periodically by supplying the information contained in this report Form.

Submitting a report

To submit a report on an observatory *already listed* as 'designated', please fill out the report form below and submit it, preferably by email or fax, to the ASA Secretary at:

A/Prof. John O'Byrne
Sydney Institute for Astronomy
School of Physics
The University of Sydney
NSW Australia 2006
Ph : 61-2-9351-3184 Fax: 61-2-9351-7726
Email: john.obyrne@sydney.edu.au

Report on Designated Observatory

Observatory Details

Name of Observatory _____

Designated Observatory Number (e.g. DO3-99) _____

Observatory Contact Address

Name _____

Postal Address _____

Postcode _____ State _____

Email _____

Web Address _____

Phone _____ Fax _____

Description of Instruments and Facilities

Briefly list telescopes and also any freestanding buildings that house them, such as a dome or shed with sliding roof etc. In particular note any changes since the last Report or when the observatory was listed.

Details of Proposed Activities

Research:

Nights _____ Days _____ Average Group Size _____

Education:

Nights _____ Days _____ Average Group Size _____

Other:

Nights _____ Days _____ Average Group Size _____

Estimated total number of annual guests _____
